Course Evaluation

- Put lots of words in the unit feedback and I will read them all.
E.g.:
 - "Steve seemed to really understand the unit. It is a shame he could not explain it to us."
- Anonymous results only come to us in about 4 weeks – after we have submitted the exam.
 - So no possibility of extra rewards for individuals or groups
- Please be careful to give the right feedback to the right unit (Often surveys refer to a different lecturer!)
- Please name the lecturer in your comments (unless a steam is already asked for)
- Fill in now (or before June 12):
 - <http://www.itl.usyd.edu.au/surveys> or
<http://sydney.edu.au/itl/surveys/complete/form.cfm?key=uss114612>

Exam Cover Sheet

This paper is not to be removed from the examination room

School of IT
INFO6007 - Project Management in IT

End of Semester Examination, Semester 2 – 2016

Total Duration: 2 hours and 40 minutes
Writing Time: 2 hours and 30 minutes
Reading Time: 10 minutes

INSTRUCTIONS TO CANDIDATES

1. Please read each question carefully. The value of each question has been written next to the question. All questions must be answered.
2. That questions are of unequal value. The total of marks of this exam paper is 150.
3. You have 150 minutes to answer questions worth 150 marks of value. You may wish to allocate your time based on 1 minute per mark.
4. Write your response to questions in the answer booklets provided.
5. Please ensure that your Name and Student Number are written on each booklet you use.
6. Please indicate the Question number/s on the front of each booklet you use.
7. This question paper must be returned with the answer booklets
8. Every attempt has been made to make the questions unambiguous. However, if you are not sure what a question is asking, make a reasonable assumption and state it at the beginning of your answer.

Materials Permitted:

You may bring into the exam a single handwritten sheet of A4 paper. Both sides of the sheet may be written on. **You must submit this sheet of paper with your answer booklet.**
Translation Dictionaries are permitted.
Non programmable calculators are permitted.

INFO6007

Exam – Format

- 5 questions, many with a number of subparts
 - Identify, List, Describe, Explain, Create, Calculate
 - Show, Draw, Compare, ...
 - Worth 60% of your final mark for the unit
 - No multiple choice questions
 - A mini-case (~1 page) will be in the exam.
- Similar in style to the Wednesday Stream exam (available in library via elearning)
- You are required to get at least 40% in exam to pass the unit overall (no matter what your group mark is) – and 50% overall!

INFO6007

6

Exam Topics

- Topics – any topic or concept covered in any week, supported by the text and additional readings.
- No detailed case knowledge

INFO6007

7

Study Sources

- Lecture slides annotated with your personal notes
- The text
 - Very high correlation with getting a F or bare P
- Additional Readings on eReserve
- Practice Questions at the end of each week
- Your friends to set you random questions on any topic/slide
- Exam Consultations – attend either
 - Steve: 2:30-4:00pm Wed 16th Nov, **Rm 4150**, H70
 - Srinivas: 4:30-5:30pm: Fri 11th Nov, Rm 430, SIT Building

Exam Advice

- Know the rules (It is your responsibility to know and observe the university regulations for exams, special consideration and appeals)
- Do not do the questions in order. Do the easier ones first. Use the reading time to decide the order you will do them in.
- Plan and monitor your time
 - 1 min per mark
 - Move on if you are stuck
- Plan your answers for longer questions.
 - Structure your answer before you start writing it.
- Write clearly expressed, to-the-point, legible answers
 - Quality over quantity.
 - Write sentences where sentences are required!
- Be kind to the marker!

INFO6007

9

The last slide

- Next week
 - No lecture next week – please do not come to class

■ Thanks & Good Luck!
